

## Harford Chapter

### Nolan L. Phillips Award Nomination Form

The Nolan L. Phillips Award was created to honor and recognize those Arrowmen who have given outstanding service to the Harford Chapter. The award is reserved for Arrowmen who demonstrate exemplary, unselfish service, and devotion to the welfare of others within the Harford Chapter and the Order of the Arrow as exhibited by its namesake Nolan L. Phillips. This is the highest and most prestigious honor that the Chapter presents to its fellow Arrowmen. Recipients serve as a true example of leadership in service. We are given as a Chapter the opportunity to honor fellow Arrowmen each year if there are those found worthy.
